

Privacy Policy

1. Information We Collect

We collect account data (name, email, ID verification, payment details), auction activity, and device data.

2. How We Use Your Data

We use your data to operate auctions, process transactions, verify identity, detect fraud, and send notifications.

3. Sharing of Data

Data may be shared with payment processors, shippers, or legal authorities. We do not sell data for marketing.

4. Data Security

We employ encryption and secure storage. Users acknowledge no system is 100% secure.

5. Data Retention

Data is retained as required for compliance and fraud prevention.

6. User Rights

You may request access, correction, or deletion of your data in line with applicable laws.
